

Ulrich. W. Kulisch

Selected Edited Books

- *Perspectives on Enclosure Methods*. Springer-Verlag, Wien, New York, 2001, with R. Lohner und A. Facius.
- *Scientific Computing with Automatic Result Verification*. Academic Press, 1992, with E. Adams.
- *Computational and Applied Mathematics I, Algorithms and Theory*. Selected and revised papers from the 13th IMACS World Congress, Dublin, Ireland, 1992, with C. Brezinski.
- *Wissenschaftliches Rechnen mit Ergebnisverifikation*. Akademie Verlag Berlin, Vieweg Verlag Wiesbaden, 1989, Collected talks of the meeting at Karlsruhe, 1988.
- *Scientific Computation with Automatic Result Verification*. Computing Supplementum 6, Springer-Verlag, 1988, with H. J. Stetter.
- *FORTRAN-SC, A Study of a FORTRAN Extension for Engineering Scientific Computation with Access to ACRITH*. IBM Deutschland GmbH, 1987.
- *Computer Arithmetic, Scientific Computation and Programming Languages*. B.G. Teubner Stuttgart, 1987, Collected talks of the meeting at Karlsruhe, 1985, with E. Kaucher and Ch. Ullrich.
- *PASCAL-SC, A PASCAL Extension for Scientific Computation, Information Manual and Floppy Disks for ATARI ST*. B.G. Teubner Stuttgart, 1987.
- *PASCAL-SC, A PASCAL Extension for Scientific Computation, Information Manual and Floppy Disks for IBM PC*. Wiley-Teubner Series in Computer Science, 1987.
- *A New Approach to Scientific Computation*. Proceedings of the Symposium held at the IBM Thomas J. Watson Research Center, Yorktown Heights, N.Y., Academic Press, 1983, with W. L. Miranker.
- *Wissenschaftliches Rechnen und Programmiersprachen*. Berichte des German Chapter of the ACM, Band 10, Teubner Verlag, 1982, with Ch. Ullrich.
- *Grundlagen der Computer Arithmetik*. Computing Supplementum 1, Springer-Verlag, 1977, with R. Albrecht.
